JADEN AND SYRUS

VERSUS

THE PARADOX BROTHERS

See just what happens in the first instalment of this historic Tag Duel. Will all the training have paid off?

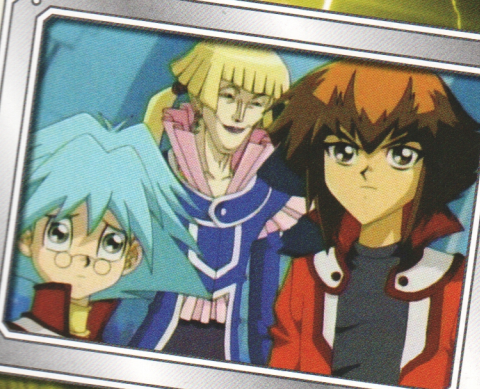

Crowler organises the Tag Duel to try and get rid of Jaden, he thinks Jaden's "made a fool of me long enough!"

As Jaden and Syrus prepare for their Duel Syrus says, "we're not gonna lose!"

Sheppard is amused when Jaden says "these guys couldn't even beat male pattern baldness... there's no way they'll beat us!"

Dr. Crowler explains all the Tag Duel rules.

■ **Syrus Summons Gyroid in Attack Position.**

8000

■ **Jaden Summons Elemental Hero Burstinatrix in Defence Position!**

3

- Syrus Summons Steamroid in Attack Position.
- Plays Polymerization to Fuse Gyroid and Steamroid to create Steam Gyroid.
- Steam Gyroid attacks Para!
- Kazejin defends with special ability – Squall Barricade.
- This reduces Steam Gyroid's damage to zero!
- Syrus plays one card face-down.

8000

- Jaden Summons Elemental Hero Clayman.
- Fuses him with Elemental Hero Burstinatrix to create Elemental Hero Rampart Blaster!
- Only has 2500 Defence Points but Gate Guardian's Attack Points are 3750.
- Elemental Hero Rampart Blaster uses its special ability – when it's in Defence Position it can attack an opponent directly!
- Attacks the Paradox Brothers' Life Points.

6450

■ Syrus Summons Cycroid in Defence Position.

4450

DUEL RECREATED FROM YU-GI-OH! GX AND MAY DIFFER FROM THE ACTUAL CARD PLAY.

Polymerization gets used by Jade and Syrus in the Duel, it's a really useful card!

2

Summons Jirai Gumo.

8000

8000

- Summons Kaiser Sea Horse in Attack Position!
- Plays Spell Card Tribute Doll.
- To activate it, the Paradox Brothers Tribute one monster from their side of the field – Jirai Gumo.
- Now the Paradox Brothers are allowed to Summon a Level 7 Monster Kazejin.
- Plays Spell Card Dark Designator, this allows one Paradox Brother to call out any monster. If it appears in the other brother's Deck it's added immediately to the Duel.
- Chooses Sanga Of The Thunder.

4

- Plays Spell Card Monster Reborn, Summons Jirai Gumo from Graveyard.
- Use Tribute Doll to Tribute Jirai Gumo and Summon another Level Seven Monster – Suijin.

- Tributes Suijin, Kazejin, and Sanga Of The Thunder so they can Summon Gate Guardian!
- Gate Guardian attacks and destroys Steam Gyroid with Tidal Surge Attack!
- Plays one card face-down to end turn.

8000

6

- And the effects of the Fairy Meteor Crush mean that the difference between his Attack Points and Syrus's Defence Points are dealt to Syrus as damage.
- Jaden and Syrus' Life Points get hit!

7000

DUEL CONTINUES

- Means when Gate Guardian attacks a monster in Defence Position, the difference between his Attack Points and the opponent's monster's Defence Points are dealt straight to their Life Points!
- Activates Syrus's face-down card, Mystical Space Typhoon which destroys one Spell or Trap Card.
- Uses it on Fairy Meteor Crush.
- This activates the Paradox Brothers' Trap Card Judgment Of Anubis!
- Lets the Paradox Brothers stop Syrus's Spell by discarding one card from their side.
- Anubis also destroys one monster – Elemental Hero Rampart Blaster. Then its Attack Points are dealt back to Jaden and Syrus's Life Points!
- Plays Defence Wall – as long as it's on the field in Defence Position, all the opponent's monsters can only attack it!

7000

The Paradox Brothers Summon "yet another Level 7 Monster, **Suijin**" to the shock of Jaden and Syrus!

"Prepare yourselves" as the Paradox Brothers "Summon the ultimate Monster: **Gate Guardian**!"

The best defence is a strong offence, so the Paradox Brothers Summon **Kaiser Sea Horse**!

Judgement of Anubis stops Syrus attack "by discarding one card," the Paradox Brothers' Deck.

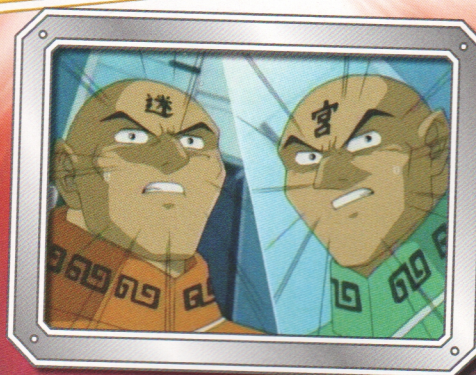

S

THE PARADOX BROTHERS

Find out everything you'll ever need to know about the Paradox Brothers!

- ul>
- NAMES:** The Paradox Brothers.
- MAJOR DUELS:** Defeated by Yugi Muto at the Duellist Kingdom.
- DORM:** Not applicable.
- WHO ARE THEY?:** Duelling mercenaries and the best Tag Duellists in the world.
- MATES:** Not known.
- RIVALS:** Yugi Muto.
- GOAL:** To beat Jaden and Syrus in a Tag Duel.

The brothers are shocked when Jaden's monster attacks them directly, "Our Life Points!"

DID YOU KNOW:
THE LAST DUEL THE PARADOX BROTHERS WERE IN WAS AGAINST YUGI AND JOEY. THEY LOST!

GET THE CHAT

- Our monster's special ability, do you like?
- It reduces your damage to zero without even a fight!
- I know - it hurts!
- And the bad news is - it only gets worse!

The Paradox Brothers are summoned by Dr. Crowler in another attempt to get Jaden Yuki expelled! "If Jaden loses here, he'll be expelled from the Academy once and for all! Which is why he'll be facing the greatest Tag Duellists in the world!"

Fair Trial

There's a bit of a debate as to whether the Duel is a fair match or not, but as Jaden says: "These guys couldn't even beat male pattern baldness, so there's no way they'll be able to beat us!"

Dos and Don'ts

Crowler explains the rules: "No sharing of strategy. No sharing of advice and no sharing of any card not yet in play." Somehow the Paradox Brothers always seem to know exactly what is in each others' Decks!

Bust a Rhyme

The Paradox Brothers Duel really well. Jaden and Syrus aren't as impressed with their rhyming skills as they are with their Duelling

skills: "If it gets as bad as this rhyming then we'll be in serious trouble."

Weakest Link

Dr. Crowler explains that in a Tag Duel, once the weakest link is destroyed the whole chain collapses: "Poor little Syrus! He would be the weakest link on a plate of sausages!" Even friends of the Academy duo have their doubts. As Bastion says: "This isn't a Duel. It's target practice for the

Paradox Brothers. And Sy's the bull's eye!" Will the Duelling ability of the Paradox Brothers be enough to defeat the Duel of friendship that is Jaden and Syrus?

WORD UP

Even Chancellor Sheppard thinks the Duel is a bit of a mismatch! "Crowler! Don't you think this is a bit much?!" But he lets Jaden decide whether the Duel should continue!

ACADEMY JOURNAL

It's your chance to find out just what Academy students have to say about the Paradox Brothers in the exclusive Duel Academy Journal!

Opponent, Jaden Yuki: Has no doubt he and Syrus will win: "The bigger they are, the harder they fall! Let's take this thing down!"

Opponent, Syrus Truesdale: Isn't as confident they can defeat the Paradox Brothers, "If we just quit right now we'll have some extra time to pack up all of our stuff."

Obelisk Blue, Chazz Princeton: Lets Chumley know just who he thinks will win: "Hey, Chump-ley, looks like you're going to have whole lot more room in your dorm now. Your friends are toast!"

Ra Yellow, Bastion Misawa: Is impressed when the Paradox Brothers sacrifice each other's: "monster to Summon a better one for the team - now that's Tag Duelling!"

WHO'S WHO?

MONSTERS USED BY THE PARADOX BROTHERS

Check out some of the cards used by mean mercenaries, the Paradox Brothers!

They're one of the best Tag Teams in the world!
 Being brothers has helped the Paradox Brothers develop one of the best Duelling partnerships in the world!

- The brothers understand each other's technique and are quick to put Jaden and Syrus down!
- Even those watching the Paradox Brothers are impressed with the way they Duel together. But none more so that Dr. Crowler who even finds brothers' trademark rhyming infectious!

Jirai Gumo

Jaden might think this Monster is no more than an "overgrown bug" but with an Attack of 2200 it is a pretty impressive one! Jaden's still sure Jirai Gumo isn't anything his "deck can't squash!"

YOUR CARD

Tribute Doll

One Paradox Brother activates Tribute Doll by sacrificing a card from his brother's Deck, allowing him to Summon a Level 7 Monster!

YOUR CARD

Kaiser Sea Horse

YOUR CARD

Dark Designator

This powerful Spell Card allows one brother to "call out any Monster that I can think of and if it's anywhere in my brother's Deck, it's added... to his hand!"

YOUR CARD

Sanga of the Thunder

Another amazingly powerful card with an ATK of 2600 and DEF of 2200 makes this an awesome addition to the brothers' Decks!

YOUR CARD

GET READY TO BATTLE

Here are two more super games for you to play with your Battle Triangs.

1 STACK IT

- ▲ Put as many Battle Triangs as you have/can in a loose stack (not clipped together) with the monster face-down.
- ▲ Build this stack on a flat surface with something firm behind it like a wall or a bag.
- ▲ Keep back two Triangs and clip them together to form a throwing star.
- ▲ Toss a Battle Triang to see who starts. The beginner throws the star at the stack and tries to knock it over. Rebuild the stack and player two takes their turn.
- ▲ Per turn, score one point per Battle Triang that lands face-up. Add 3 points if there are no Battle Triangs left standing in the stack.
- ▲ After 5 turns each add up all your points - whoever who has most wins.

2 SHOVE IT

- ▲ Play this on a table with 9 Battle Triangs.
- ▲ Place a Triang on the table between 50 cm to 1 metre away from the edge. This is the target. Remember which one it is.
- ▲ Put a copy of Yu-Gi-Oh! GX Ultimate Guide a couple of hand-lengths behind the target Battle Triang.
- ▲ Share out the remaining Triangs four each.
- ▲ Toss a Triang to see who goes first.
- ▲ Take it in turns to shove your Battle Triangs across the table at the target Battle Triang. Do this by putting a Battle Triang on the table edge with just its point overhanging. Then tap the point with the palm of your hand to 'shove it' at the target.
- ▲ Pieces that go onto or beyond the magazine are out of play.
- ▲ You may use your go to knock the opponent's pieces out of the way.
- ▲ The target may be knocked out of play and the round ends there.
- ▲ A round ends when each player has shoved all four of his Battle Triangs.
- ▲ Score one point for hitting the target.
- ▲ Score one point for each Battle Triang you have closer than your opponent to the target at the end of the round - unless the Target has been knocked out of play.
- ▲ Player with most points wins the round.
- ▲ The game is the best of three (or more) rounds.

NOT SO SECRET!

The Duel between Jaden and Syrus was watched by all their friends at the Academy, everyone was thinking something different!

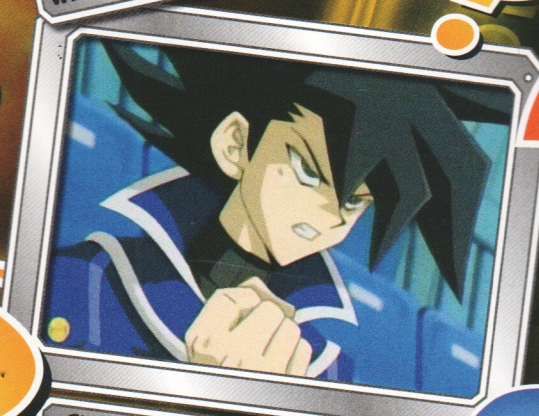

Alexis realises Jaden and Syrus could lose! She tells Bastion Misawa: "This is hardly fair!"

Bastion points out: "Statistically speaking, I'd put Jaden's odds at winning this to be one in fifty!"

Chumley knows this Duel is totally "not licious!"

Chazz thinks "It should be me taking you out, but I guess as long as someone does it!"

The Duel is a punishment for Jaden and Syrus, but what could the real reason be?

Dr. Crowler would like to get Jaden and Syrus out of the Duel Academy for good!

ANSWER

INSECT LEGENDS

Beware the monstrous centipede!

You can try to escape, but you can't outrun this massive Japanese insect monster!

The hero Hidesato was travelling through Japan when he approached the bridge across Lake Biwa. Blocking his path was a sleeping serpent monster. Instead of running away, he simply climbed over it and carried on. After he'd gone a few steps a voice called him - a finely robed man with red hair was standing behind him.

Lots of legs

The stranger was the Dragon King of Lake Biwa. He'd changed into a monster to test Hidesato's courage because he needed a true hero's help. An enormous centipede, from nearby Mount Mikami, kept attacking the palace and eating the King's children. He'd been seeking a champion brave enough to fight it.

Eyeballs of fire

Hidesato accepted the challenge and entered the palace where he was lavishly entertained. Just as he was enjoying the wine there was a noise like a massive thunderclap. From the window, Hidesato saw the slithering body of the centipede covering the mountain. Its eyeballs were two balls of fire and its feet were lit up like torches!

Sound of silence

Hidesato took his bow and unleashed an arrow. This hit the creature's head, but bounced off its thick scales. Undaunted, Hidesato remembered the magical effect of human saliva and spat on an arrow before firing it. This time the arrow pierced the monster's brain. Its eyes dimmed, thunder rolled, lightning flashed and the mountain fell eerily silent.

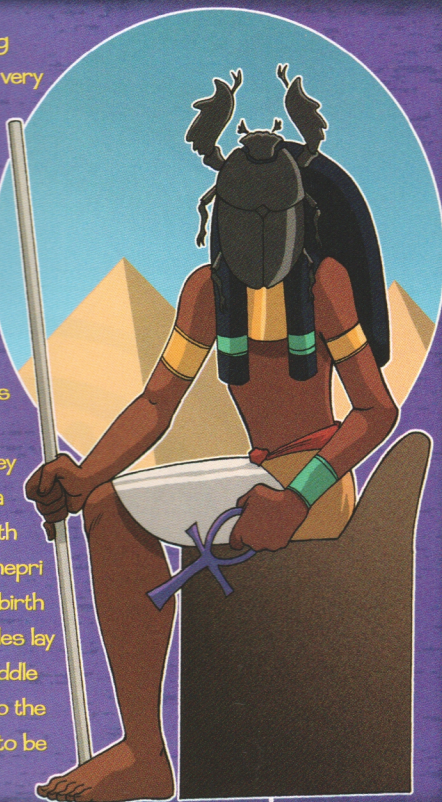

Hidesato the gifted

Next morning it was a beautiful sunny day and in the lake lay the centipede's body. There was rejoicing in the palace and Hidesato departed with many gifts, including a bag of rice that could not be emptied. Hidesato grew rich and famous and became known as 'My Lord Bag of Rice.'

Khepri

Scarab, or dung beetles, were very important to the ancient Egyptians. They thought that just as the insect rolls balls of dung along the ground, so the sun was moved across the heavens by the god Khepri. Because of this, they showed Khepri as a scarab or a man with a scarab's head. Khepri was also god of rebirth because dung beetles lay their eggs in the middle of the dung balls, so the baby beetles seem to be born out of dung!

The Fly

In Norse myths, Loki was a companion of the gods who delighted in trickery and making mischief. He had the ability to change shape and once he turned himself into a fly to win a bet with some Dwarvish metal workers. To win he had to stop them forging three magnificent treasures. He tried to distract the dwarves from their task by buzzing around, pestering and biting them as they worked. But they were too hardworking to get put off and Loki lost the bet!

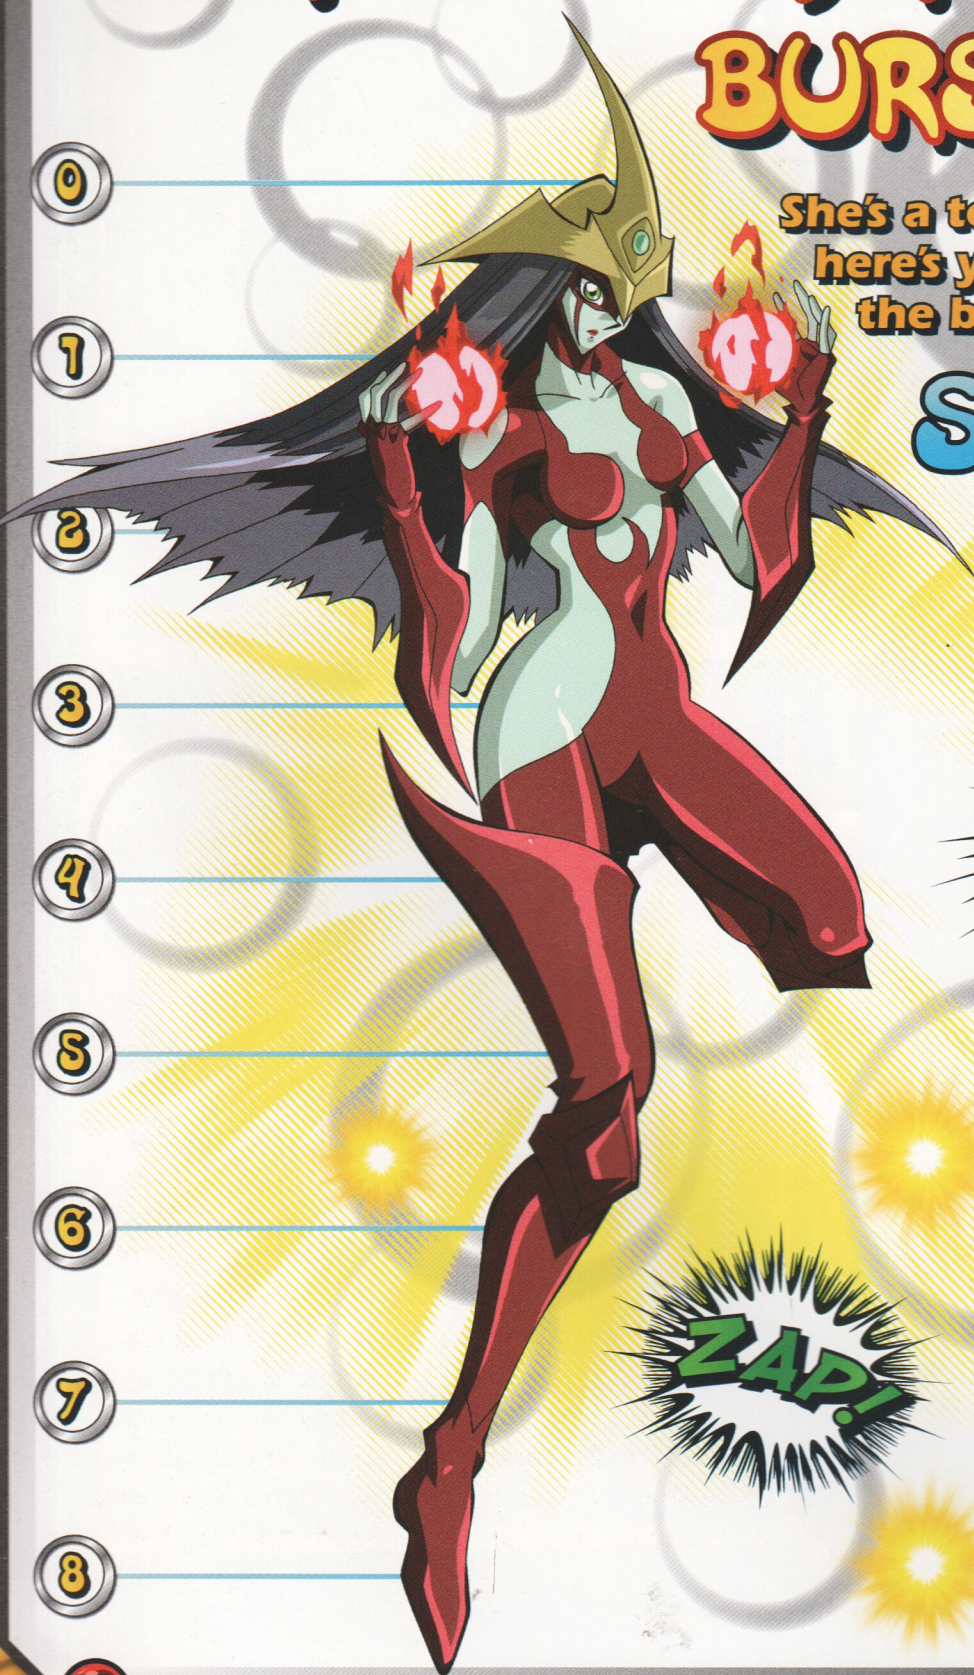

DRAW ELEMENTAL HERO BURSTINATRIX

She's a top Elemental Hero, here's your chance to create the brilliant Burstinatrix!

Start your drawing of Elemental Hero Burstinatrix by getting her body proportions just right. Use this page to help you, as you can see she is eight heads high.

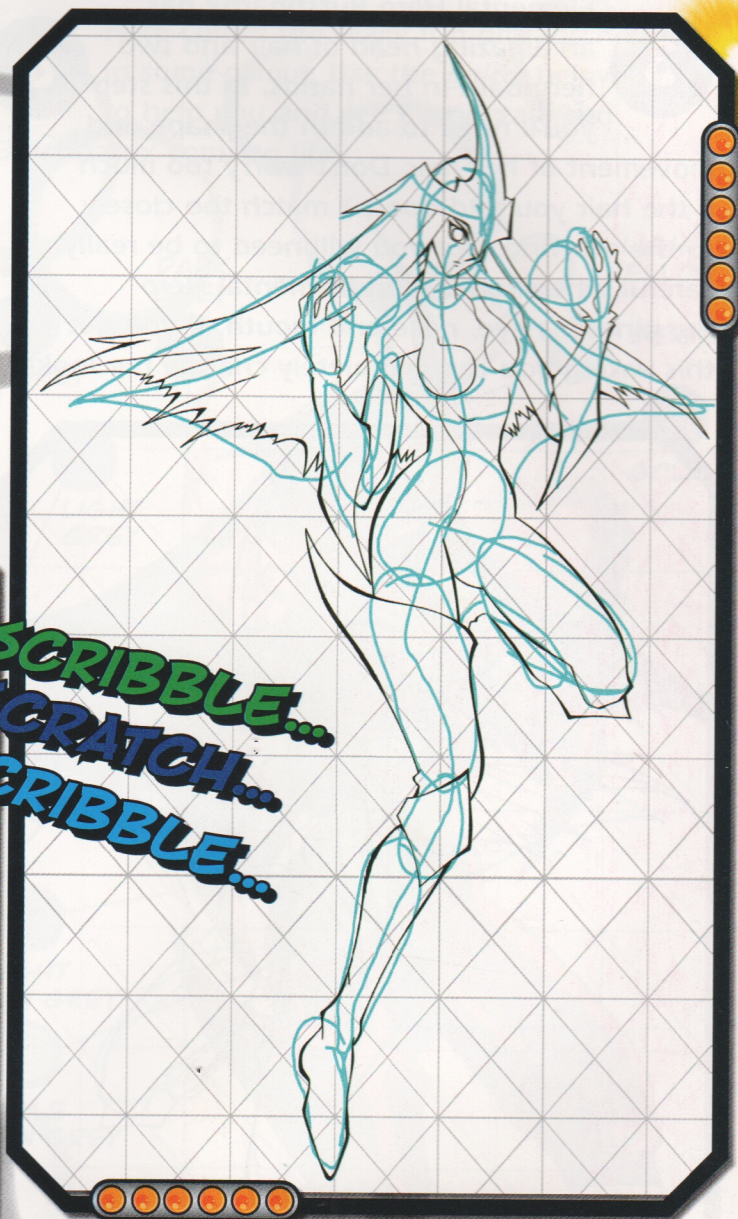

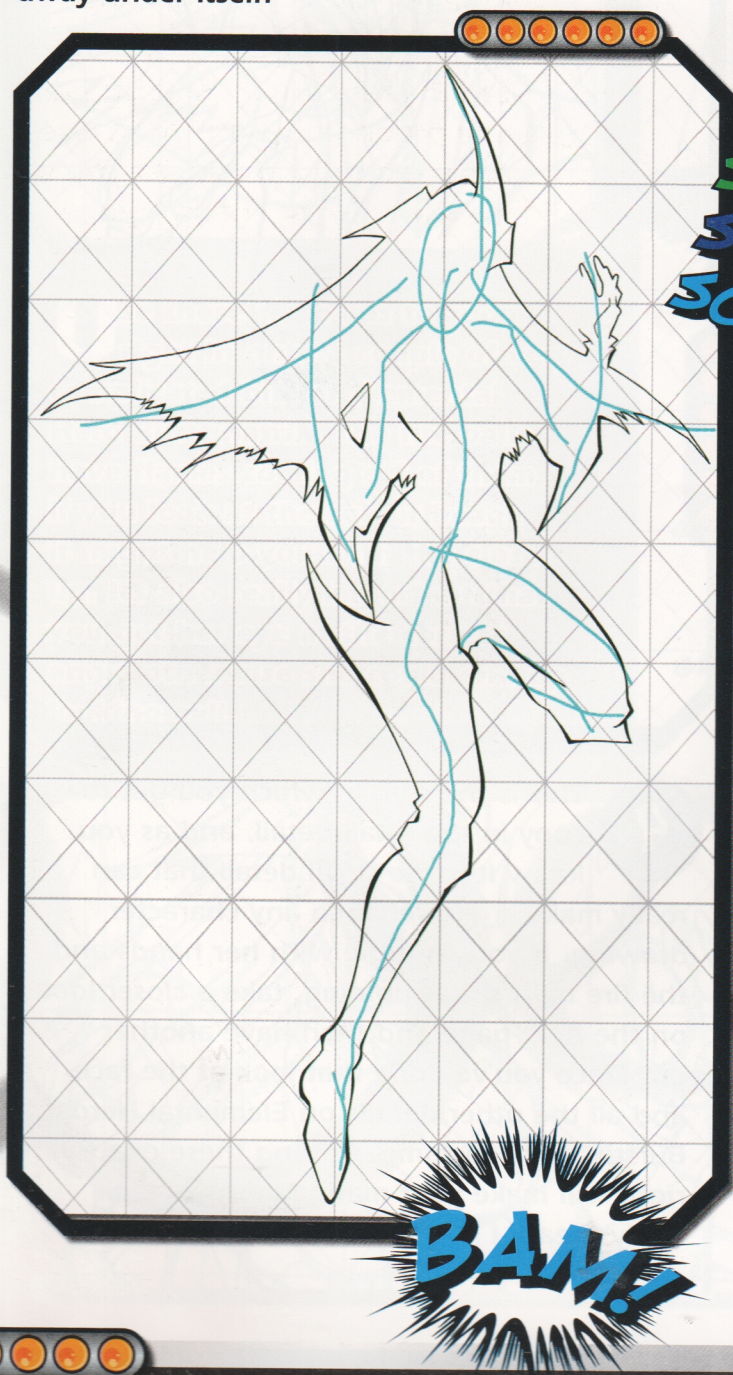

SIZZLE!

ZAP!

TOP TIP
DID YOU KNOW THAT THE HAND IS ALMOST THE SAME SIZE AS THE FACE WHEN YOU DRAW AND THE FOOT IS THE SAME LENGTH AS THE HEAD!

1

As usual you will need to start by copying this grid onto a sheet of paper before you commence your drawing. The grid is essential if you are going to get all the features of Elemental Hero Burstinatrix in the right place. Once you've done that take a look at the line of action, showing the movement and position of Elemental Hero Burstinatrix's body and limbs. From the drawing you'll notice that one of Elemental Hero Burstinatrix's legs is tucked away under itself.

SCRIBBLE...
SCRATCH...
SCRIBBLE...

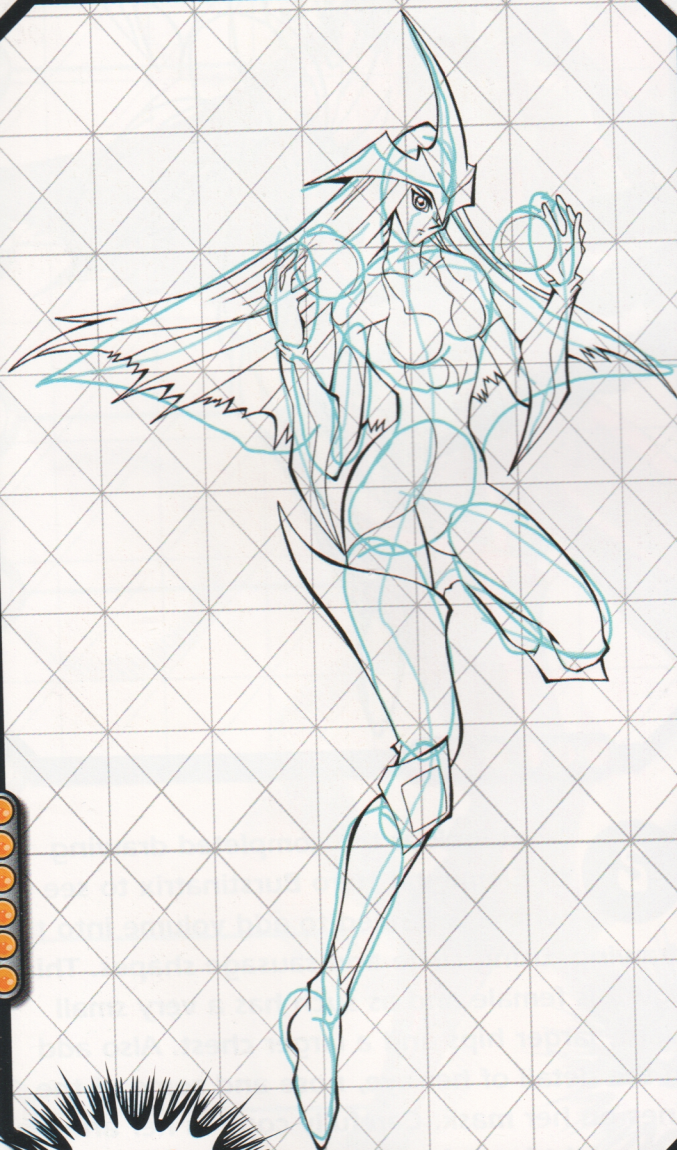

2

Next look at the completed drawing of Elemental Hero Burstinatrix to see where you need to add volume into the drawing, using circle and sausage shapes. This figure is female and as such has a very small waist, larger hips and a larger chest. Also add in the detail of her eye, nose and some of the lines on her mask. Carefully copy in her arms. This might be quite hard, so don't be afraid to have several goes to get it just right! Next look at her knee pads and the lines on her legs.

3

Elemental Hero Burstinatrix has an amazing head of hair and two fiery balls in her hands. In this step you'll need to add in the shape and movement of her hair. Don't worry too much if the hair you add doesn't match too closely to the drawing. But you will need to be really careful when you add in Elemental Hero Burstinatrix's eye, nose and mouth. If you get this wrong you can completely change her look!

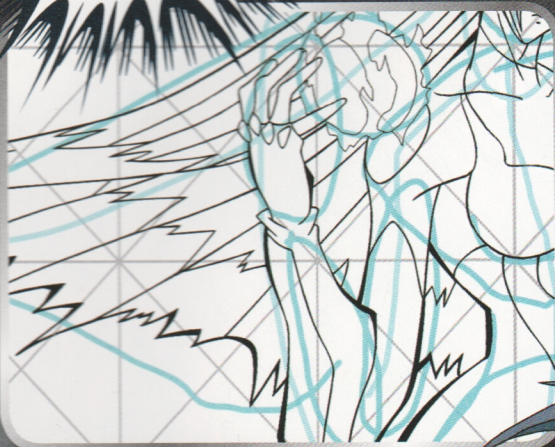

BAM!

4

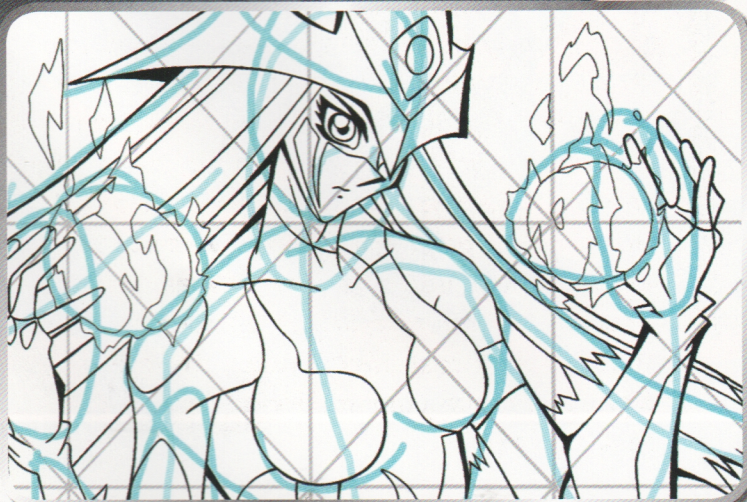

This is the step in which you get to copy in the small detail, and as you know it is the small detail that can really make a difference to any character drawing. If you struggle with her hands and the fire balls she is holding, take a closer look on the next page and then have another go. Once you've done that look at the face and all the other details on Elemental Hero Burstinatrix's costume. Getting these exactly right will make your manga monster look really great!

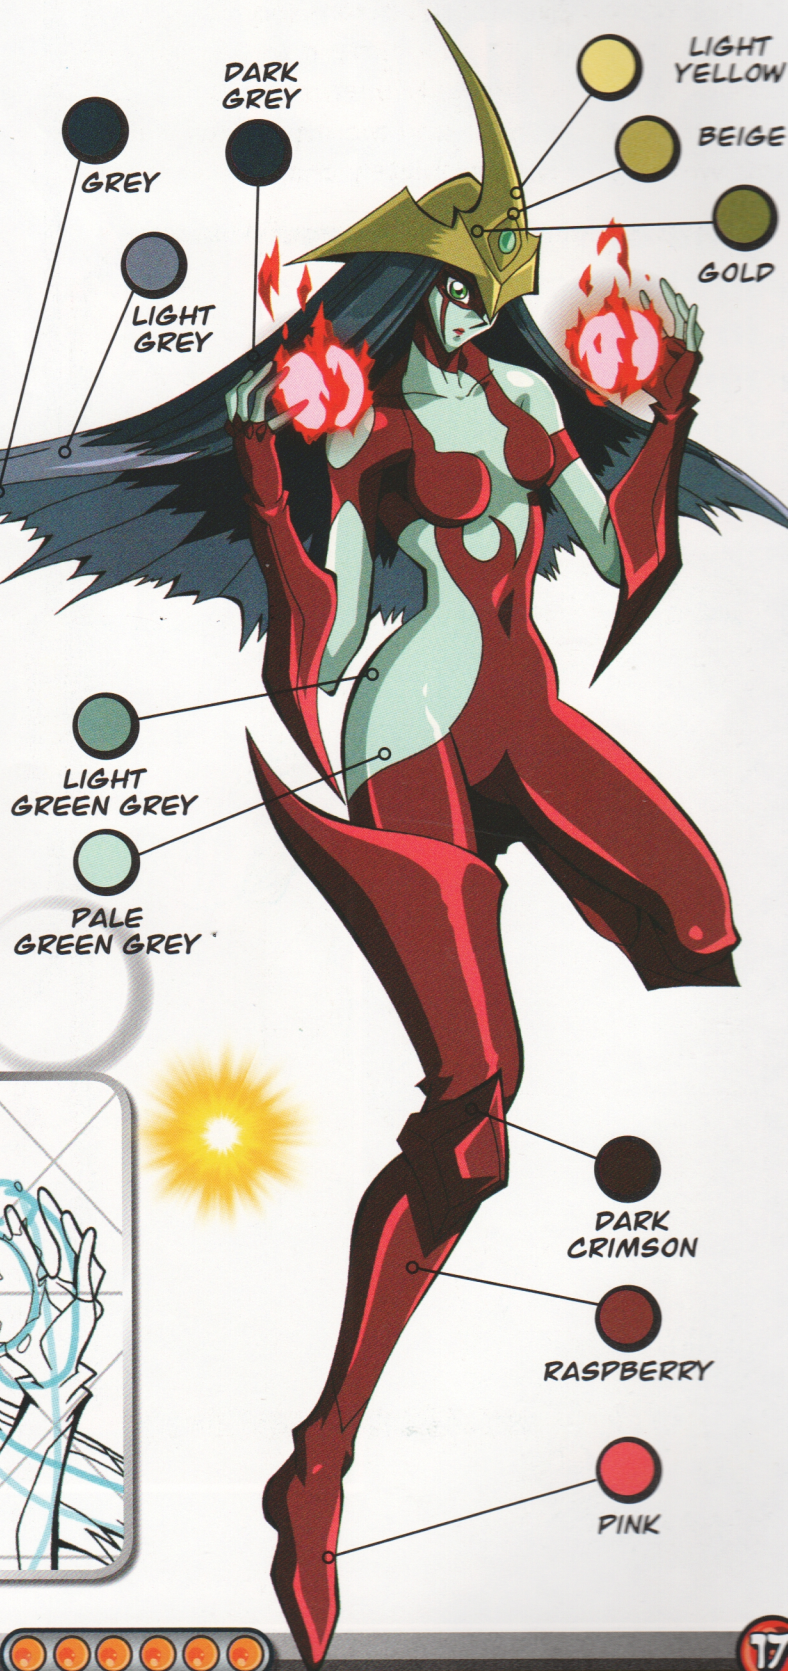

**TAKE A
CLOSER
LOOK**

Use these close-ups to zoom right in onto a couple of very complicated bits of Elemental Hero Burstinatrix. The fire balls have flames coming off of them, if you look at the colour image it might help you with the close-up. It's also really important that you get her eye at the correct angle otherwise she could end up looking evil.

Here comes the really fun bit, adding in some colour. Use the guide below to help you and see Elemental Hero Burstinatrix come to life!
